

THE VOICE

CABERNET SAUVIGNON
CRYSTAL SPRINGS OF NAPA, 2024

BATCH #187 "BORN IN NAPA. RAISED IN NY"

"City lights, late nights, and limitless dreams, this wine is made for moments that matter. Inspired by the rhythm and romance of New York City, it invites you to slow down, savor the moment and get lost in your own melody." Malek Amrani

This wine is also the first Cabernet Sauvignon to ever be released from the newly designated Crystal Springs of Napa that is sandwiched between St Helena and Howell Mountain AVAs.

VINTAGE

2024 vintage was yet again an exceptional year with wines already showcasing bold and elegant character. A wet winter provided ample soil moisture, promoting strong vine growth and natural canopy protection. The growing season saw extended warm periods, but the vines thrived, leading to a harvest with intense color and rich flavors.

VINEYARD

Our organically farmed vineyard sits high on Napa's newest sub-AVA, Crystal Springs of Napa Valley, just below Howell Mountain fog line at 1300 feet of elevation. Steep, volcanic hillside exposures and cool mornings help shape powerful yet elegant wines.

TASTING NOTES

Extraordinarily rich, deep and beautifully proportioned, this dark, loamy-styled Cab unfolds with aromas of ripe black cherry, currant, plum and warmed fig. On the palate, layers of exotic spice are woven with mocha and cedary notes, creating impressive depth without heaviness. Concentrated yet remarkably elegant, the palate turns smooth and silky, carrying through to a long, smoldering finish marked by grace, complexity and lingering spice.

- 100% unfilted and unfined Cabernet Sauvignon
- 9 Months of aging in small size barrels of all new French Oak (30 gallon barrels)
- Organically grown fruit and winemaking practices
