2023 VINTAGE

Absolutely perfect from start to finish. Winter will be remembered as the 10th wettest season on record in Napa with consistent rain that got us out of the extreme drought and with surprisingly no floods. Spring was poetic leading to a mild summer with no heatwaves whatsoever. Harvest was a month behind compared to the past few years. The slow ripening helped the grapes reach a potential that we’ll be talking about for decades to come.

VINEYARD

Our tiny 2 acre vineyard is located on the western edge of St Helena, on the foothills of Spring Mountain. It has been cared for by hand by the same grower family since the late 1800’s. USDA Certified Organic vineyard.

TASTING NOTES

Opulent notes of toasted coconut, blackberry marmalade and vanilla jump off the glass. The palate is rich yet composed, opening with layers of dark cacao, ripe plum & Asian spice. A long and powerful finish lingers with notes of caramel, coconut and vanilla that fades slowly and luxuriously.
