TASTING NOTES

The 2022 Stainless-Steel Fermented Pinot Grigio is a vibrant, unoaked gem. Bursting with bright green apple, pear, and zesty citrus, balanced by invigorating acidity and a floral hint.

This crisp, clean wine concludes with a refreshing minerality.

Its light and bright profile pairs beautifully with seafood, salads, light pasta dishes, and goat cheese. A true delight to any summer meal.

VINTAGE NOTES

Monterey County's 2022 vintage was defined by a cool, steady season, without heat spikes, ensuring even ripening. The grapes developed an excellent balance of sugar and acidity, promising wines with vibrant fruit flavors, firm structure, and distinct minerality. This year should showcase Monterey's diverse soils and maritime influence beautifully.
