TASTING NOTES

Sometimes great wine takes itself too seriously. Teeter-Totter Napa Valley Cabernet Sauvignon was created around a simpler conviction: precision and pleasure do not have to sit on opposite sides. Benoit Touquette may have 49 perfect 100-point ratings behind him, but he has never forgotten his humble roots—or his sense of humor.

Here, he brings the same precision and trusted vineyard relationships while leaving ceremony behind. Polished enough for a serious wine list yet approachable enough to become the bottle guests return to again, this is genuine Napa pedigree made accessible—and above all, fun.

2023 TEETER-TOTTER NAPA VALLEY CABERNET SAUVIGNON

The 2023 vintage brought a long, balanced growing season with ideal conditions for purity and finesse. Cool fall temperatures extended hang time and encouraged full flavor development. Celebrated as “the vintage of a lifetime,” it was one of Napa Valley’s most exceptional seasons in over a decade.

Powerful and well-balanced, the wine opens with fresh raspberries, blackcurrants, florals and spice. Ripe, polished tannins bring richness and structure, while balanced acidity carries a long, energetic finish. The perfect plus-one for any occasion—a serious Napa Valley Cabernet with a lighter way of looking at life.
