

2021 CALIPASO SAUVIGNON BLANC

BACKGROUND

CaliPaso is located along California's famed Central Coast. Paso Robles climate is perfect for the production of award-winning premium wines.

VINEYARD

Red Slick Farms Vineyard

APPELLATION

Monterey County

VARIETAL COMPOSITION

100% Sauvignon Blanc

WINEMAKING

Stainless Steel Fermented at 50°F 1 to .5 brix per day.

VINTAGE NOTES

2018 was one of the best seasons local grape growers had seen in years! The vintage was lush, balanced and complex.

TASTING NOTES

The 2021 Stainless-Steel Fermented Sauvignon Blanc is a testament to purity and precision. Bursting with notes of zesty citrus, crisp green apple, and hints of tropical fruit, it embodies the varietal's vibrant character.

High natural acidity underlines the fruit-forward profile, creating a wine of remarkable freshness.

The finish is clean, with a whisper of minerality. An excellent wine to pair with seafood.

TECHNICAL NOTES

pH: 3.09 Total Acidity: 073 g/L Residual Sugar: <0.11 g/L Alcohol: 13%
