"TORIE'S VINEYARD" PINOT NOIR, CARNEROS — NAPA VALLEY, 2024

Torie is the co-founder of The Vice. She fell in love with Pinot Noir during a trip to Burgundy and she has since been on a quest to replicate the Burgundian Grand Cru greatness from her hillside vineyard in Los Carneros of Napa Valley.

VINEYARD

Torie's vineyard is one of the most Northeastern vineyards in Carneros, right on the foothills of Mount Veeder and Mayacamas mountains. The bowl-shaped topography of the vineyard keeps it warm during the cooler months and cool during warm season. This unique feature creates the perfect ripening elements that contribute to the crafting of a World Class Pinot Noir.

2024 VINTAGE

2024 vintage was yet again an exceptional year with wines already showcasing bold and elegant character. A wet winter provided ample soil moisture, promoting strong vine growth and natural canopy protection. The growing season saw extended warm periods, but the vines thrived, leading to a harvest with intense color and rich flavors.

TASTING NOTES *(Decanter review- October 2nd 2025)*

Bursting from the glass with Bing cherry, cedarwood, brown baking spices, espresso bean, and clove, it is a riper wine yet still retains plenty of elegance. Notes of red florals and blood orange carry through on the long, sumptuous finish. 94 points
